HISTORY

The building was constructed in about 1946. Unusual activity has been noted for about 12 years.

EXPERIENCES

There are a reports of seeing a man dressed in black. A little girl has been seen, and she also talks to children of the family. There are strange banging noises on bedroom doors, with no one near to have done the knocking. Shadow figures have been seen in various areas of the home.

INVESTIGATION

DATE OF INVESTIGATION: September 2nd, 2017

PARTICIPANTS: BESS MAXWELL, KIRK CORMIER, and SUSAN COLEMAN

EQUIPMENT: Digital Cameras, Infrared cameras and DVR system, Digital audio recorders, Ion Counters, P-SB7 Spirit Box, Infra-sound detection equipment, Digital thermometers, Various EMF meters including Tri-Fields and Rempod, Motion detectors including geophone and laser grid systems, and Ovilus interactive voice communications device.

INVESTIGATION: At the time and places tested, no anomalous photos were taken. No data was noted on video. Nothing unusual was detected by laser grid or geophone. No high EMF fields from AC current were found in many locations likely to result in prolonged exposure. No anomalous hot spots were noted. No anomalous motions were noted. No EVP clips were recorded. Two EVP clips formed by the P-SB7 were noted.

PART ONE - AUDIO

THE MODEL P-SB7 SPIRIT BOX

This device utilizes a milli-second adjustable forward or reverse sweep technique coupled with a white noise distribution between frequency steps. This is designed to add ambient sound energy for the production of real time EVP, allowing for instant feedback in communications attempts. See item 16 in “General Parameters of the EVP Phenomenon”.

CLIP ONE – Second back bedroom

BESS MAXWELL: “Did you drain the battery in our camera?”

MALE VOICE: “Oh, yeah!”

CLIP TWO: In bedroom described as “creepy”.

BESS MAXWELL: “Can you tell us the names of any people in this house?”

MALE VOICE: “Enough.”

SECOND MALE VOICE: “I’ll be back.”

STANDARD EVP AUDIO, WITH NO INTENTIONALLY ADDED ENERGY SOURCE

NONE OBTAINED

CONCLUSION

At the time and places tested, no anomalous photos were taken. No data was noted on video. Nothing unusual was detected by laser grid. No anomalous hot spots or cold spots were noted. No anomalous motions were noted. Two EVP clips were made of words formed by the P-SB7. No EVP clip were recorded by standard digital recording. We feel that these experiences, and the positive tests received are probably indicative of an anomalous presence or presences, and that these do not seem malicious or harmful in any way.

We would like to thank the clients for inviting us into their home, and for the opportunity to study the phenomena there. We would also like to thank them for their most gracious hospitality, and hope that me may be able to return there again soon.
